

Randall's Adventure & Training Search and Rescue (RAT-SAR)

Gallant, AL 35972

All RAT-SAR members are responsible for acquiring their own personal gear. The following list is a suggestion for personal lightweight technical rescue gear. The list below is designed to work with team gear rope sizes to build rescue systems.

SUGGESTED PERSONAL TECHNICAL GEAR

- Harness
- Helmet
- Gloves
- Personal Descender (ATS, ATC, etc.)
- Petzl GriGri+
- 6 ea. Locking Carabiners (HMS Style Preferred)
- Rock Exotica Omni Block 1.1 Pulley
- 2 ea. Short 6mm Prusik Loops
- 2 ea. Long 6mm Prusiks Loops
- 25' Sterling PowerCord or 7mm Body Cord
- Dyneema Slings (Various Sizes)
- Climbing System (Optional)
